Disclaimer

- The VectorVest Program (“the System”) which we promote is not intended to provide you with specific or personalized advice. In all circumstances where you are looking to apply the System to your own personal needs you should consider whether you should first seek advice from a suitably qualified investment professional.
- Figures and information provided refer to the past and past performance and are not a reliable indicator of future results. Where stocks are quoted in foreign currencies, returns may increase or decrease as a result of currency fluctuations. In the event that you, as a recipient of this presentation, have any doubts as to the suitability of the investments or services promoted you should seek advice from a suitably qualified investment professional.
- You should be aware that the value of shares and other stocks may rise or fall. The rules on tax can change, and these changes may have an influence on the effectiveness of the System in the future. It is for you, as the tax payer, to assess the System’s effectiveness throughout the process. Some assets are more readily realizable than others, and you should bear in mind that it may be difficult to deal in or obtain reliable information about their value. You should always take account of dealing charges. In addition to any initial charge quoted there may also be a bid/offer spread or dilution. Investments in options and other forms of derivatives may expose you to a higher degree of risk given market circumstances relative to other forms of quoted investments.
- The System even if used in its entirety, cannot be guaranteed to provide specific returns in the short, medium or long term and you should bear in mind that individual securities may and can fluctuate considerably in value from day to day. The System has been designed without any reference to the specific interests of a particular investor. We reiterate, when using the System, you must take into account your own specific needs and liabilities.
- The System is provided for UK clients only. This financial promotion has been approved by European Financial Publishing Ltd trading as VectorVest UK which is authorized and regulated by the Financial Services Authority under Register No 543038. European Financial Publishing Limited is a company incorporated in Scotland under Company Number SC357322 with its registered address at Exchange Tower, 19 Canning Street, Edinburgh EH3 8EH.

VectorVest

The VectorVest System

Every Investor Should Know

What a Share is Really Worth,
How Safe it Is,
and
When to Buy, Sell or Hold.

Value Increases When

Earnings go up,
Inflation goes down
and
Interest rates go down!

Relative Value

An Indicator of Long-Term
Price Appreciation Potential

*Price, Value, Earnings Growth, AAA Corporate Bond Rates
and Risk are used to compute Relative Value.*

Relative Safety

An Indicator of Risk

*Consistency and Predictability of Financial Performance
are the Primary Factors in Assessing Relative Safety.*

Relative Timing

An Indicator of Short-Term Price Trend

*The Direction, Magnitude and Dynamics of Price History
are used to determine Relative Timing.*

VST-Vector

The Master Indicator

VST-Vector combines RV, RS and RT into a single comprehensive indicator. This combination incorporates fundamental as well as technical analysis.

Stop-Price

An Indicator of When to Sell or
Cover a Position

*An adjusted 13-Week Moving Average of Closing Prices is
used to compute Stop-Price.*

Buy, Sell or Hold Criteria

Buy (1) Price > Stop Price, (2) VST > 1, (3) RT > 1
and (4) Price must be diverging away from
Stop Price

Sell Price < Stop Price

Hold Price > Stop, but any of the other three
factors needed to receive a Buy are not met.
